

Brand Identity Outline — BeaconFold Media

Brand essence

- Purpose: To guide and unite African voices for advocacy, policy influence, and strategic communications.
- Vision: A Pan-African ecosystem where evidence, storytelling, and strategy drive policy and social change.
- Mission: Deliver high-impact advocacy, strategic communications, digital campaigns, audiovisual content, and events that amplify civic and development outcomes across Africa.

Core values

- Integrity — evidence-based, transparent work.
- Leadership — proactive, insightful guidance.
- Collaboration — bring stakeholders “into the fold.”
- Impact — measurable outcomes, policy relevance.
- Creativity — compelling storytelling and design.

Positioning

- Brand promise: Trusted strategic communications partner for development and advocacy in Africa.
- Differentiators: Pan-African focus, combined advocacy + creative AV services, strategic policy communications expertise, boutique consultancy agility.

Target audiences

- Primary: NGOs, CSOs, regional advocacy networks, foundations, policy institutes, multilateral programs across Africa.
- Secondary: Donors, government agencies, social enterprises, progressive private sector partners.

Service offering (core)

- Strategic communication & counsel
- Advocacy & policy communications
- Digital strategy & campaign development
- Audiovisual production & podcasting (Powered Voice)
- Event strategy & management
- Monitoring, evaluation & communications learning

Brand architecture

- Parent: BeaconFold Media (corporate identity)
- Subbrands: Powered Voice (podcast), BeaconFold Labs (research & policy briefs), BeaconFold Events
- Naming convention: [Subbrand] — “presented by BeaconFold Media”

Visual identity

- Logo lockups: primary (icon + “BeaconFold Media” wordmark), stacked, and horizontal variations; BF monogram for favicons.
- Clear space and minimum size rules.
- Usage: full-color on light/dark, single-color, reversed.

Color palette

- Primary: Deep Navy (authority)
- Accent: Warm Gold / Amber (beacon/optimism)
- Secondary: Muted Teal & Slate Gray (balance, modern)
- Usage: Navy base, gold for highlights/call-to-action, teal/gray for supporting elements.

Primary Colors

- **Deep Navy (Primary base)**
#0A1D3A
 - **Warm Gold / Amber (Accent / beacon light)**
#F4B000
-

Secondary Colors

- **Muted Teal (Support / modern balance)**
#0D6E6D
 - **Slate Gray (Neutral / backgrounds / text support)**
#6B7280
-

Additional Utility Colors (used in variations)

- **White**
#FFFFFF
- **Off-White / Light Gray background**
#F5F7FA
- **Dark Navy (for contrast versions)**
#08152A

Typography

- **Headline:** Modern geometric sans (e.g., Mont or Avenir Next) — bold/semibold for impact.
- **Body:** Humanist sans (e.g., Inter or Source Sans) — readable for web and print.
- **Accent:** Condensed or light variant for secondary labels.

Iconography & imagery

- **Icon style:** Simplified geometric icons, single-stroke or minimal fills.
- **Imagery:** Candid documentary photography, portraits, event/action shots, layered with subtle navy/gold duotone overlays for cohesion.
- **Graphic motifs:** Beacon rays, folded layers, map outlines or subtle African textile patterns as backgrounds.

Tone of voice & messaging

- **Tone:** Authoritative, empathetic, clear, persuasive.
- **Language:** Data-led storytelling, concise calls-to-action, policy-aware phrasing.

- Messaging pillars: Evidence → Story → Action.
- Example tagline options: “Advocacy. Strategy. Impact.” / “Guiding voices for African change.”

Digital & social presence

- Domain: beaconsuggest check for beacondomain; prefer beaconsite like **beaconfoldmedia.com**
- Handles: **@BeaconFoldMedia** across Twitter/X, LinkedIn, Instagram, Facebook, YouTube.
- Content types: Policy explainers, short AV clips, campaign toolkits, podcast episodes (Powered Voice), client impact case studies.
- Social templates: Branded post templates (quote, statistic, video clip, carousel).

Launch & rollout plan (first 90 days)

Week 1–2: Finalize logo, color, fonts; secure domain and social handles.

Week 3–4: Build one-page launch site + contact; prepare brand guidelines PDF.

Month 2: Produce 3 flagship pieces — company explainer video, 1 podcast episode, 1 case study.

Month 3: Soft launch to network; targeted outreach to 10 priority orgs; social campaign push + email newsletter.

- Measure: website visits, podcast downloads, enquiries, partnership leads.

Brand assets checklist

Logo files (SVG, PNG, white, dark)

Full brand guideline PDF (usage, colors, typography, voice)

Social templates (IG/LinkedIn/YouTube thumbnails)

Website hero assets + favicon (BF monogram)

Email signature templates

Presentation deck template

One-pager service brochure (print + digital)

Podcast cover art (Powered Voice) and intro/outro audio stings

15. Governance & next steps

- Brand owner: designate one lead (founder or creative lead) to approve brand use.
- External partners: shortlist 2 designers/animators for logo + 1 web developer.
- Immediate actions: pick final name lockup, confirm color palette, secure domain/handles, commission animated logo and brand guidelines.
